You must provide an email for this feature. We recommend using the same email address as your MyAlaska portal.

It's okay to leave things blank.

The Division of Public Assistance (DPA) requires an interview for SNAP. During that interview, you'll have a chance to answer questions and provide any missing information or documents. They'll also send you a notice if more is needed.

Want faster processing? Upload these documents:

- **Proof of identity** (like a driver's license or state ID)
- **Proof of income** (pay stubs, tax return, or benefit award letter)
- **Proof of expenses** (rent/mortgage, utilities, childcare)
- **Proof of resources** (bank statements, vehicle registration, etc.)
- **Proof of immigration status** (if this applies to you)

Keep a record of your submission.

Take a screenshot of the submission page or opt for text/email follow-ups as proof that you submitted your application.
